# 1959 PLANT LIST—

## SUPPLEMENT

Dear Garden Friends—

Again a wretched winter healthwise has made us late with our plant list and rather than be even later, we have made up a simple alphabetical list of our available plants with prices, and no description. We hope next fall to have a new descriptive list but warn you that it will be again much reduced.

We are happy to list quite a few new plants and in particular to have again the Pink Chinese May apple-*Podophyllum emodi majus*. Also our West Hills strain of anemone *pulsatilla* is most exquisite with delightful white, ~~pale pink to salmon~~, and deep rose shades, instead of the usual purple tones. These will be marked when in bloom for color.

We are now enjoying our much enlarged Flower Arrangers Supply Shop and wish you could visit us and see the tempting array of useable arrangement articles we have assembled. Write for special catalogue if interested.

We are situated on a paved road  $\frac{1}{2}$  block East of the Portland-Oregon City Highway—No. 99E. If you are approaching Portland from the South, turn right on Hull Ave. about  $1\frac{1}{2}$  mi. north of Oregon City. If you come from Portland, turn left on Hull Ave.—just one block after you pass the old interurban grade crossing at Jennings Ave. We live at the garden so should be easy to find. You are most welcome to visit the garden or shop.

Cordially yours,

*Carl Starker*

## TERMS OF SALE

NON-WARRANTY IS A CONDITION OF ALL SALES MADE. We intend to send out good, clean stock that is true to name, but on account of the great number of conditions over which we have no control, we can assume no responsibility after stock is delivered. If stock reaches you in poor condition, please let us know **at once**, as we can assume no responsibility for any failure which may occur after a lapse of time.

ORDER EARLY. We would suggest that you order early, especially if you wish new or rare plants, as in a good many cases **our stock is limited**, and you may be disappointed if you delay. **Please write your name and address plainly.**

TIME OF SHIPMENT. We make a point of mailing orders as soon as possible after we receive them, so **if there is any reason why you do not want your order shipped immediately, please be sure to inform us, and give the date on which it is to be shipped.**

STOCK. All orders will be filled with good, strong, healthy stock that will be reasonably sure to bloom the first season. **May we substitute?** We may be short of stock.

TERMS. Cash should accompany all orders. No order will be accepted for less than \$3.00. Make checks payable to Carl Starker.

POSTAGE. All states west of the Mississippi, add 20% to help cover postage and packing. Eastern states please add 25%. **We refund promptly** if too much postage is sent and bill you if inadequate postage is allowed on your order.

We can send larger plants if you will pay express charges. **Retail sales only.** We do not have adequate stock for wholesale orders.

**NO PLANT ORDERS SHIPPED DURING DECEMBER** on account of our Christmas wreath making.

**Prices in this catalogue cancel any previous listings.**
